

HYDRATION LOUNGE
IV THERAPY & WELLNESS

NAD+ Packages

For the best results, it is recommended that you do the initial infusions within a 2-week period when starting NAD therapy.

Clarity/Beauty

NAD helps improve overall mental clarity and performance. It helps improve symptoms of anxiety and depression. It also helps with focus of thoughts and reduction of brain fog. Has shown a reduction in fine lines and wrinkles, helps support new collagen formation, repairs and protects from sun damage

600 mg NAD
(300 mg x 2 & 600 mg)
3 Infusions = \$480

Addiction

NAD helps curb craving for alcohol and detoxifies your body.

1,000 mg NAD
(500 mg x 2 & 1,000 mg)
3 Infusions = \$680

Single Infusion Dose Pricing:

Clarity/Beauty: 600 mg NAD = \$375

Detox/Addiction: 1,000 mg NAD = \$575

After the initial infusions, we recommend once maintenance dose every 1-2 months for Beauty and Clarity.

For Detox/Addiction, we recommend maintenance dose every month

SQ Injections

At home injections for 4 weeks
\$280
